

Your University of Choice

We Are “Transfer Friendly”

Transfer up to 66 community college credits or up to 94 four-year institution credits to complete your degree at Calumet College of St. Joseph. Schedule a visit with a CCSJ Transfer Admissions Counselor so we can review your college transcripts for transfer credit.

In the meantime, you can start the admissions process by applying on-line and learning more about becoming a member of the CCSJ community. We will accept transfer credits from any regionally-accredited community college or four-year institution.

- Easy application process (no application fee)
- High transfer acceptance rate
- Transfer student scholarships available
- 18 men’s & women’s athletic programs
- Transfer student orientation for a smooth transition

Transfer students arrive at our campus with a diversity of interests, goals and backgrounds. We provide the motivation, support and guidance to help them graduate and succeed.

How to apply to CCSJ:

- Complete an application for admission
- Submit all official college transcripts from regionally accredited colleges and universities
- Submit high school transcript only if you have earned less than 12 transferable college credit hours
- Take COMPASS assessment on CCSJ campus if so required by the Office of Enrollment Management
