

Connecting to the CCSJ secure wireless network with Windows 10

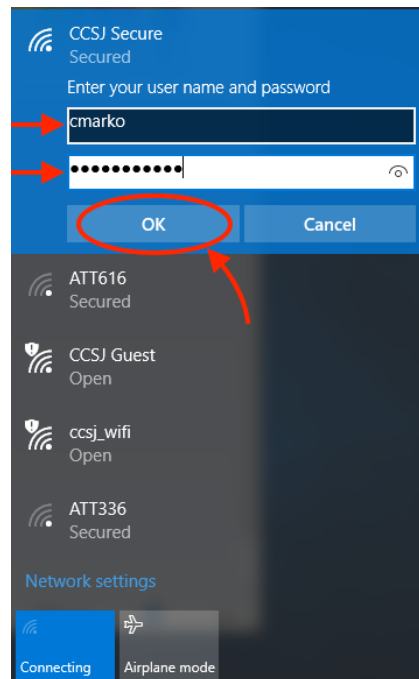

1. At the bottom-right of your desktop, **click** the Wi-Fi symbol

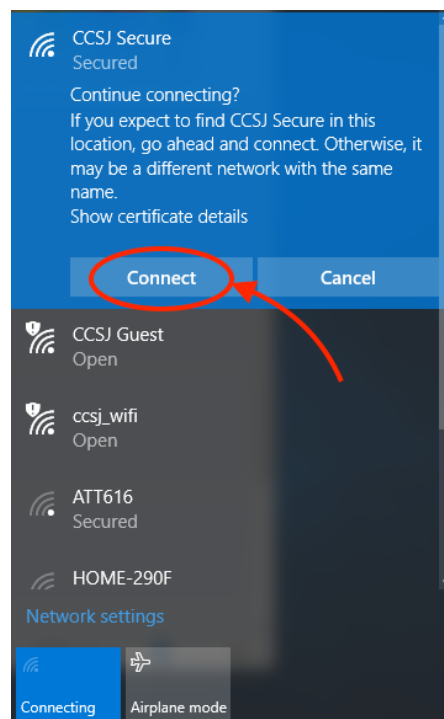

2. **Click** on 'CCSJ Secure', **make sure** 'Connect automatically' is checked then **click** 'Connect'

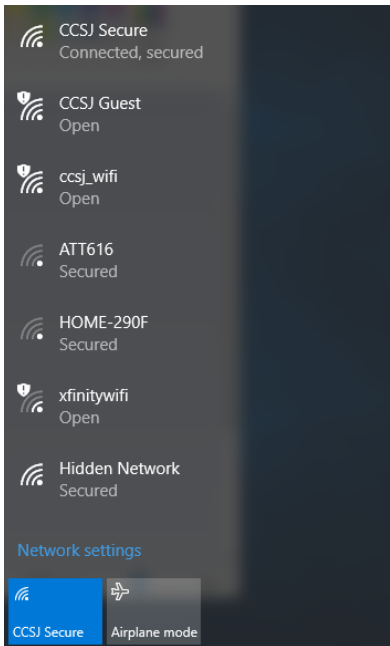

3. **Enter** your CCSJ network/email credentials in the dialog then **click** 'OK'

4. You will receive a 'Continue connecting?' message. **Click** the 'Connect' button to complete the setup.

5. You will now be connected to the 'CCSJ Secure' wireless network

You will not have to enter login credentials until you change your password. If you have any problems connecting to the CCSJ Secure wireless network, please contact the Computer Services Help Desk:
