

# **JOB POSTING**

## **ADJUNCT FACULTY – PSYCHOLOGY DEPARTMENT**

The Calumet College of St. Joseph Psychology Department seeks applicants to fill part-time instructor position(s). The College employs academic faculty who have applicable content expertise, and who provide evidence of recent and/or current professional experience in the discipline.

The ideal candidate(s) will have background in research, brain and behavior issues, developmental issues, and statistics with the following qualifications:

- A master's degree with 18 graduate hours in the content area is required for all undergraduate level instruction, and a terminal degree in an appropriate field is required to teach in the graduate program.
- Five years of full-time work experience in the field can also substitute for the educational requirement.
- Strong written and oral communication skills are required.
- Effective experience in addressing the needs of first generation college students is highly desirable.
