SCOPE: The purpose of this pathfinder is to introduce some of the resources available in Specker Library and on the web in the fields of Business. Please note that this guide is not a comprehensive listing of sources, but is intended to be a starting point from which students can begin their research according to their specific need. You need a free ILLiad account to use inter-library loan. Ask any library staff member how to set one up or call 219-473-4376.

Calumet College Pegasus Resources: (section H in the general collection, library Tower- basement, contains Business books which can be checked out and taken home). All Pegasus materials are located in this library.

Business -- sample online databases (periodical indexes) accessible through CCSJ:
Academic Search Premier (multidisciplinary database) -- college-level articles on all topics; some full-text
Business Search Premier

Regional Business News -- provides comprehensive full text coverage for regional business publications of more than 80 regional business publications covering all metropolitan and rural areas within the United States. Click here for a complete title list. Click here for more info.

Health Business Full text -- provides full text coverage for more than 130 well-known administrative journals, critical for hospital administrators and managers.

To locate articles in professional journals and periodicals from on campus or at home:
From the college’s homepage, www.ccsj.edu, click on library on the left-hand side of the page to go to the Specker Library homepage www.ccsj.edu/library. Then either click on the title “Journal Articles and Online Databases” (lower center), to see individual database titles or click on the tab marked “Databases” at the top of the page to search several at once.

Specialized U.S. websites dealing with Business:
U.S. Small Business Administration
U.S. Securities and Exchange Commission
Bureau of Labor Statistics
Dictionary of Occupational Titles / U.S. Department of Labor
Indiana Business Research Center
NASDAQ Web Site
Moody’s Investor Services
Morningstar
Librarian’s Internet Index-Business
To help keep track of successful search terms and databases, and to avoid duplicating the same search, a research log might help. If you’re not certain how useful an article or website might be, print the first page. You can go back later for the rest.

Business -- sample search terms and research log:
Compensation, diversification, dividends, efficiency analysis, environmental impact, futures, growth, inputs, marketing, outputs, productivity, resource allocation …
