Responsibilities	
Attending Class	You cannot succeed in this class if you do not attend. We believe that intellectual growth and success in higher education occur through interaction in the classroom and laboratories. However, we do not want to penalize students for participating in college-sponsored events. When you miss class because of a college event, you must give notice of your absence in advance, and you are responsible for all missed work. Being absent does not excuse you from doing class work; you have more responsibilities to keep up and meet the objectives of this course.
Turning In Your Work	Students are expected to have read the chapter prior to the lecture. Each chapter will be explained and discussed. Concepts will be

	<p>illustrated by working selected demonstration problems in class. Selected problems will be assigned as homework.</p> <p>Homework problems <i>must be posted in blackboard</i> by the due date to receive full credit.</p> <p>Homework problems will be reviewed in class. The grade for assignments is based on timely attempt. Late homework will be assessed a 50% late penalty.</p> <p>Comprehensive Problems are to be completed and submitted for grading.</p> <p>Exams will be posted on Blackboard and will cover 3 chapters each. Exams will be multiple choice.</p>
CCSJ Student Honor Code	<p>This course asks students to reaffirm the CCSJ Student Honor Code:</p> <p>I, as a student member of the Calumet College academic community, in accordance with the college's mission and in a spirit of mutual respect, pledge to:</p> <ul style="list-style-type: none"> • Continuously embrace honesty and curiosity in the pursuit of my educational goals; • Avoid all behaviors that could impede or distract from the academic progress of myself or other members of my community; • Do my own work with integrity at all times, in accordance with syllabi, and without giving or receiving inappropriate aid; <p>Do my utmost to act with commitment, inside and outside of class, to the goals and mission of Calumet College of St. Joseph.</p>
Classroom Behavior & Using Electronic Devices	<p>Students are expected to treat the instructor and fellow students with respect and courtesy at all times. This means giving your full attention. No private conversations, no catching up on homework assignments, no naps.</p> <p>Electronic devices can only be used in class for course-related purposes. If you text or access the Internet for other purposes, you may be asked to leave, in which case you will be marked absent.</p>
Participating in Class	<p>You must be on time, stay for the whole class and speak up in a way that shows you have done the assigned reading. If you are not prepared for class discussion, you may be asked to leave, in which case you will be marked absent.</p>
Doing Your Own Work	<p>If you turn in work that is not your own, you are subject to judicial review, and these procedures can be found in the College Catalog and the Student Planner. The maximum penalty for any form of academic dishonesty is dismissal from the College.</p>

	<p>Using standard citation guidelines, such as MLA or APA format, to document sources avoids plagiarism. The Library has reference copies of each of these manuals, and there are brief checklists in your Student Handbook and Planner.</p> <p>PLEASE NOTE: All papers may be electronically checked for plagiarism.</p>
Tracking Your Progress	Grades will be posted in Blackboard. An updated grade will be posted after each exam
Sharing Your Class Experience	At the end of the term, you will have the opportunity to evaluate your classroom experience.
