ccsj.edu

Calumet College of St. Joseph is a Catholic institution of higher learning dedicated to the academic, spiritual and ethical development of undergraduate and graduate students. Informed by the values of its founding religious community, the Missionaries of the Precious Blood (C.P.P.S.), the College promotes the inherent dignity of all people, social justice, an ethic of service, student empowerment, opportunity, and lifelong learning.

COURSE SYLLABUS, Fall 2018**Course: CHEM 320 Biochemistry-lecture****Instructor Information:**

Instructor Name	Dr. Edward Draper
Office Number:	514
Phone Number:	219-473-4268
Email:	edraper@ccsj.edu
Office Hours:	Monday 10:15am-11:15am, Tuesday & Thursday 9:00am-10:00am
Instructor Background:	B.S. in Biology from Loyola University Chicago. M.S. in Biology from Purdue University. Ph.D. in Biology from University of Illinois Chicago. My research focuses on using the yeast, <i>Saccharomyces cerevisiae</i> , as a model system to study cellular biology.

Course Information:

Course Time:	Lecture: Monday and Wednesday 1:45pm-3:15pm
Classroom:	332
Prerequisites:	C or better in Math 104 or placed in a higher math course, C or better in CHEM 200, CHEM 200L, CHEM 205, CHEM 205L, CHEM 310, CHEM 310L, CHEM 311, CHEM311L, and concurrent enrollment in CHEM 320L.
Required Books and Materials:	Biochemistry by Campbell, Farrell, and McDougal. 9 th edition. ISBN: 978-1-305-96113-5
Learning Outcomes/ Competencies:	Students in this course will: <ul style="list-style-type: none">• Identify the overall structures and cellular functions of the four classes of macromolecules: lipids, carbohydrates, proteins, and nucleic acids• Describe structure-function relationships found in cellular structures and processes

- Compare and contrast prokaryotes and eukaryotes in terms of cellular structures, organization, and life processes
- Describe cellular processes used to create energy
- Demonstrate the flow of information in cells
- Describe biological fundamentals of current issues in biotechnology (such as cloning, DNA fingerprinting, gene therapy, and stem cell research)

The course also meets the following General Education Program objectives:

- Students will read analytically, synthetically, and critically in a variety of genres.
- Students will write in a variety of forms using valid logic, persuasive rhetoric, and correct grammar, usage, and punctuation.
- Students will represent, apply, analyze, and evaluate relevant qualitative and quantitative mathematical and scientific evidence (i.e. equations, graphs, diagrams, tables, words) to support or refute an argument.
- Students will appreciate, create, and critique the persuasive power of art and media.
- Students will be able to apply ethical standards to social issues and analyze their own core beliefs and the origin of these beliefs.

Course Description:

A 3-credit hour class. Introduction to biological concepts, including origins of life, biochemical principles, energetics, cellular organization, mechanisms of heredity, and evolution. Students will explore unifying concepts in biological science while developing key investigative skills necessary for scientific exploration and hypothesis testing. Includes laboratory.

Learning Strategies:

Active learning, BlackBoard, group discussions, team projects, collaborative learning, laboratory exercises, demonstrations.

Experiential Learning Opportunities:

Laboratory experience is essential for a fundamental understanding of the scientific method. This course has a required laboratory portion that provides students with experiential learning through experimental design, hypothesis development, data interpretation, and communication of results through laboratory reports.

Assessments:

Exams	There will be 4 unit exams. The date of each exam can be found on the course schedule.	120 points each
Quizzes	There will be 4 quizzes. The date of each quiz can be found on the course schedule.	15 points each
Research paper	Each student will be given a brief description of a topic related to biochemistry. They will use that information as the basis to write a 5-page paper relevant to that subject.	120 points
Research presentation	Each student will give a 5 minute presentation to the class about their research topic.	40 points
Total		700 points

Grading Scale (points) A: 626-700 B+: 612-625 B: 556-611	C+: 542-555 C: 486-541 D+: 472-485	D: 416-471 F: 415 & under
--	--	------------------------------

Course Schedule:

Class Date	Class Discussion/Activities	Assignments
Aug. 27	Syllabus CH 1: Biochemistry and cells	
Aug. 29	CH 1: Biochemistry and cells CH 2: Aqueous solutions	
Sept. 3	NO CLASS	
Sept. 5	CH 2: Aqueous solutions	
Sept. 10	CH 3: Amino acids and peptides	
Sept. 12	CH 3: amino acids and peptides CH 4: 3D structure of proteins	Quiz 1
Sept. 17	CH 4: 3D structure of proteins	
Sept. 19	CH 5: Protein techniques	
Sept. 24	CH 5: Protein techniques	
Sept. 26	CH 6: Enzymes	
Oct. 1	CH 6: Enzymes CH 7: Behavior of proteins	Quiz 2
Oct. 3	CH 7: Behavior of proteins	
Oct. 8	CH 9: Nucleic acids	
Oct. 10	CH 9: Nucleic acids CH 10: Replication	
Oct. 15	CH 10: Replication	
Oct. 17	CH 11: Transcription	
Oct. 22	CH 11: Transcription CH 12: Translation	Quiz 3
Oct. 24	CH 12: Translation	
Oct. 29	CH 13: Nucleic acid biotechniques	
Oct. 31	CH 13: Nucleic acid biotechniques	
Nov. 5	CH 15: Energy & metabolism	
Nov. 7	CH 15: Energy & metabolism CH 16: Carbohydrates	
Nov. 12	CH 16: Carbohydrates	
Nov. 14	CH 17: Glycolysis	
Nov. 19	NO CLASS	
Nov. 21	NO CLASS	
Nov. 26	CH 17: Glycolysis CH 19: TCA	Research paper due
Nov. 28	CH 19: TCA	Quiz 4

Dec. 3	CH 20: Electron transport	
Dec. 5	CH 20: Oxidative phosphorylation	Student presentations
Dec. 10	Exam 4 (chapters 15, 16, 17, 19, 20) during exam week. Schedule TBD	
Dec. 12		

I reserve the right to change this schedule to meet the needs of the class.

Responsibilities	
Attending Class	<p>You cannot succeed in this class if you do not attend. We believe that intellectual growth and success in higher education occur through interaction in the classroom and laboratories. Being absent doesn't excuse you from doing class work; you have more responsibilities to keep up and meet the objectives of this course.</p> <p>Attendance Attendance is counted as being present from the first 10 minutes of class until the end of lecture/lab. Anyone missing after the first 10 minutes of class will be marked late. If you are still missing after the first 15 minutes of class, you will be marked absent unless a written excuse is provided within 24 hours of the occurrence. Similarly, anyone leaving early without a written excuse will be counted as absent.</p> <p>General Absences You are responsible for all material presented in class and all in-class announcements and assignments. If for whatever reason you have to miss class, please approach your fellow students for the notes you missed, and take advantage of the class materials that will be posted on Blackboard http://class.ccsj.edu</p> <p>ALL planned and unplanned absences must be communicated to your instructor via email (Subject: Last name, First name, "BIOL 115A Absent", Date) with a brief explanation.</p> <p>Intellectual growth and success in college is reinforced through interaction in the classroom. Students reach personal goals and course outcomes through regular and prompt attendance. Therefore, three (3) unexcused absences will result in an administrative withdrawal from the course. Furthermore, excessive tardiness (every 2 late arrivals) will result in 1 absence. The student may be subjected to a grade of F or FW per the policy stated under the Withdrawal from Classes section on this syllabus.</p> <p>Absence due to college events We do not want to penalize students for participating in college-sponsored events. When you miss class because of a college event, you must give notice of your absence 24 hours in advance according to the communication guidelines above, and you are responsible for all missed work. Being absent doesn't excuse you from doing class work; you have more responsibilities to keep up and meet the objectives of this course.</p>

	<p>Exams</p> <ul style="list-style-type: none"> • If you are late for an exam, you must arrive before the first person leaves the room, otherwise you will not be allowed to take the exam and you will receive a 0. • Cell phones are expressly prohibited during exams. • All students are required to take the final exam. • The final exam schedule is TBA. • Items which students may not have near them during the exams include: <ul style="list-style-type: none"> • Coats, jackets, hats, or other items of outerwear • Backpacks, pencil cases, purses, or other bags • Cell phones or other electronic devices • Graphing calculators • Covers for non-graphing calculators <p>If you are not sure whether an item is permitted, please ask the instructor before the exam. No talking during exams. Items you are not permitted to have during exams should be placed at the designated area prior to the exam. Neither the instructor nor the department is responsible for any loss or theft of personal items. The instructor retains the right to issue an exam grade of zero to any student found to be in violation of one or more exam rules.</p> <p>NO MAKE-UPS. Make-up exams will not be given except upon the discretion of the instructor. Athletic competition that interferes with exams will require documentation to be presented to the instructor by the end of the first week of classes. Extension requests for extenuating circumstances can be submitted via email to the instructor. In the event the instructor approves the extension, a make-up exam will be scheduled within 2 days of the original exam date.</p> <p>If you require special accommodations for taking exams, please submit to the instructor the appropriate documentation from the Office of Disability, within the first week of the course to address your needs. Graded exams will not be distributed during lecture time. In order to obtain a copy of your exam, please stop during the instructors' office hours. You are free to go over the exams with the instructor in detail. Please see the note in the "Grading Scale". Final exams will not be returned to the students. You are free to come by and look at your exam, but the exam will not leave the instructors office.</p>
<p>Turning In Your Work</p>	<p>You cannot succeed in this class if you do not turn in all your work when due. Homework will not be accepted after the due date. Extension requests for extenuating circumstances can be submitted via email to the instructor. Decisions on make-up work are left to the discretion of the instructor.</p>

CCSJ Student Honor Code	<p>This course asks students to reaffirm the CCSJ Student Honor Code:</p> <p>I, as a student member of the Calumet College academic community, in accordance with the college's mission and in a spirit of mutual respect, pledge to:</p> <ul style="list-style-type: none"> • Continuously embrace honesty and curiosity in the pursuit of my educational goals; • Avoid all behaviors that could impede or distract from the academic progress of myself or other members of my community; • Do my own work with integrity at all times, in accordance with syllabi, and without giving or receiving inappropriate aid; • Do my utmost to act with commitment, inside and outside of class, to the goals and mission of Calumet College of St. Joseph.
Using Electronic Devices	<p>Electronic devices can only be used in class for course-related purposes. If you text or access the Internet for other purposes, you may be asked to leave, in which case you will be marked absent.</p>
Participating in Class	<p>You must be on time, stay for the whole class and speak up in a way that shows you have done the assigned reading. If you are not prepared for class, you may be asked to leave, in which case you will be marked absent.</p>
Doing Your Own Work	<p>If you turn in work that is not your own, you will be subject to judicial review by the Faculty-Student Grievance Committee. These procedures can be found in the Student Planner. The maximum penalty for any form of academic dishonesty is dismissal from the College.</p> <p>Using standard citation guidelines to document sources avoids plagiarism. You'll find guides to the major citation methods at the CCSJ Specker Library Web page at http://www.ccsj.edu/library/subjectsplus/subjects/guide.php?subject=cite</p> <p>PLEASE NOTE: All papers may be electronically checked for plagiarism.</p>
Sharing Your Class Experience	<p>At the end of the term, you will have the opportunity to evaluate your classroom experience. These confidential surveys are essential to our ongoing efforts to ensure that you have a great experience that leaves you well prepared for your future. Take the time to complete your course evaluations – we value your feedback!</p>
Withdrawing from Class	<p>After the last day established for class changes has passed (see the College calendar in the CCSJ Course Catalog), you may withdraw from a course by following the policy outlined in the Course Catalog.</p>

Resources	
CCSJ Book Rental Program	The CCSJ Book Program ensures that everyone has the right course materials on the first day of class to be successful. You pay a book rental fee each semester, and in return, receive all the materials for all your classes prior to the beginning of classes. At the end of the semester, simply return the books. For traditional students, the Book Rental Program is conveniently located in the library, where students can pick up and return their books. For students in accelerated programs and graduate programs, books will be delivered to their homes and they can return them by mail. For more information, see http://www.ccsj.edu/bookstore . All books must be returned at the end of the semester or you will incur additional fees, which will be charged to your student account.
Student Success Center:	The Student Success Center provides faculty tutors at all levels to help you master specific subjects and develop effective learning skills. It is open to all students at no charge. You can contact the Student Success Center at 219 473-4287 or stop by the Library.
Disability Services:	Disability Services strives to meet the needs of all students by providing academic services in accordance with Americans with Disabilities Act (ADA) guidelines. If you believe that you need a “reasonable accommodation” because of a disability, contact the Disability Services Coordinator at 219-473-4349.
Student Assistance Program	Through a partnership with Crown Counseling , Calumet College of St. Joseph provides a free Student Assistance Program (SAP) to current students. The SAP is a confidential counseling service provided to students for personal and school concerns which may be interfering with academic performance and/or quality of life. The SAP counselor is available on campus once a week and off-site at the Crown Counseling offices in Crown Point or Hammond. For more information, contact Kerry Knowles SAP Counselor , at 219-663-6353 (office), 219-413-3702 (cell), or kerryk@crowncounseling.org .
CCSJ Alerts:	Calumet College of St. Joseph’s emergency communications system will tell you about emergencies, weather-related closings, or other incidents via text, email, or voice messages. Please sign up for this important service annually on the College’s website at: http://www.ccsj.edu/alerts/index.html .
