**Statement of Plagiarism:**

If an instructor or other Calumet College of St. Joseph personnel find that a student has plagiarized or been involved in another form of academic dishonesty, the instructor or other personnel may elect to bring the matter up for judicial review. The maximum penalty for any form of academic dishonesty is dismissal from the College. The procedures for judicial review are listed under the section of CCSJ handbook that addresses student grievances. **Please be aware that your paper may be submitted for examination for plagiarism to Safe Assign, a plagiarism-check Internet Company with which the college has contracted.**

Please Note: Modifications to this syllabus may be made to meet the needs of this specific class.

Calumet College of St. Joseph adheres to citation guidelines as prescribed by the particular discipline (i.e., MLA, APA, Chicago Manual of Style or Turabian.). All of these guidelines are available in the Calumet College of St. Joseph library or bookstore.

These texts outline how to cite references from a variety of sources, including electronic media.

**Withdrawal from Classes Policy:**

Please see the Degree Completion Program's Student Handbook for withdrawal policy. All withdrawals are completed through the Degree Completion Academic Advisor's office, 219-473-4209.

**Class Policy on Attendance:**

It is a serious matter when a student misses even one session due to the accelerated format of the program. If the student misses more than one session, the student is required to withdraw from the module by contacting the Academic Advisor and their instructor. Notice if a student misses one class the students will be forced to withdraw if he or she is late for any other class during the five-week duration of the course. No student can miss more than four hours of scheduled course time.

In addition, when a student misses one session of class they will not receive class participation for that session, and any assignment due that night will have the grade earned for that assignment lowered by ten percent. It will be nearly impossible for a student to earn a grade of "A" if they miss one class session.

*The Student Success Center is dedicated to supporting Calumet College of St. Joseph students. The Tutoring Center is located on the first floor in the Library. The telephone number is 219.473.4287 or 800.700.9100 ext. 287.*

### BUILDING EVACUATION

1. All building evacuations will occur when an alarm sounds and/or upon notification by security/safety personnel. **DO NOT ACTIVATE ALARM IN THE EVENT OF A BOMB THREAT.**
2. If necessary or if directed to do so by a designated emergency official, activate the building alarm.
3. When the building evacuation alarm is activated during an emergency, leave by the nearest marked exit and alert others to do the same.
4. Assist the disabled in exiting the building! Remember that the elevators are reserved for persons who are disabled. **DO NOT USE THE ELEVATORS IN CASE OF FIRE. DO NOT PANIC.**
5. Once outside, proceed to a clear area that is at least 500 feet away from the building. Keep streets, fire lanes, hydrant areas and walkways clear for emergency vehicles and personnel. The assembly point is the sidewalk in front of the college on New York Avenue.
6. **DO NOT RETURN** to the evacuated building unless told to do so by College official or emergency responders.

#### ***IF YOU HAVE A DISABILITY AND ARE UNABLE TO EVACUATE:***

Stay calm, and take steps to protect yourself. If there is a working telephone, call 911 and tell the emergency dispatcher where you are **or** where you will be moving. If you must move,

1. Move to an exterior enclosed stairwell.
2. Request persons exiting by way of the stairway to notify the Fire Department of your location.

3. As soon as practical, move onto the stairway and await emergency personnel.
4. Prepare for emergencies by learning the locations of exit corridors and enclosed stairwells. Inform professors, and/or classmates of best methods of assistance during an emergency.

#### RUN, HIDE OR FIGHT TIPS:

1. **Prepare** – frequent training drills to prepare the most effectively.
2. **Run and take others with you** – learn to stay in groups if possible.
3. **Leave the cellphone.**

4. **Can't run? Hide** – lock the door and lock or block the door to prevent the shooter from coming inside the room.
5. **Silence your cellphone** -- use landline phone line.
6. **Why the landline?** It allows emergency responders to know your physical location.
7. **Fight** – learn to “fight for your life” by utilizing everything you can use as a weapon.
8. **Forget about getting shot – fight!** You want to buy time to distract the shooter to allow time for emergency responders to arrive.
9. **Aim high** – attack the shooter in the upper half of the body: the face, hands, shoulder, neck.
10. **Fight as a group** – the more people come together, the better the chance to take down the shooter.
11. **Whatever you do, do something** – “react immediately” is the better option to reduce traumatic incidents.
