Standards for Indiana: <http://www.doe.in.gov/standards>

INTASC Teaching Standards:

THE LEARNER AND LEARNING	
Standard #1: Learner Development	The teacher understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional and physical areas, and designs and implements developmentally appropriate and challenging learning experiences.
Standard #2: Learning Differences	The teacher uses understanding of individual differences and diverse cultures and communities to ensure inclusive learning environments that enable each learner to meet high standards.
Standard #3: Learning Environments	The teacher works with others to create environments that support individual and collaborative learning, and that encourage positive social interaction, active engagement in learning, and self-motivation.
CONTENT KNOWLEDGE	
Standard #4: Content Knowledge	The teacher understands the central concepts, tools of inquiry, and structures of the discipline(s) him or her teachers and creates learning experiences that make these aspects of the discipline accessible and meaningful for learners to assure mastery of the content.
Standard #5: Application of Content	The teacher understands how to connect concepts and use differing perspectives to engage learners in critical thinking, creativity, and collaborative problem solving related to authentic local and global issues.
Standard #6: Assessment	The teacher understands and uses multiple methods of assessment to engage learners in their own growth, to monitor learner progress, and to guide the teacher's and learner's decision making.
Standard #7: Planning and Instruction	The teacher plans instruction that supports every student in meeting rigorous learning goals by drawing upon knowledge of content areas, curriculum, cross-disciplinary skills, and pedagogy, as well as knowledge of learners and the community context.
Standard # 8: Instructional Strategies	The teacher understands and uses a variety of instructional strategies to encourage learners to develop deep understanding of content areas and their

	connections, and to build skills to apply knowledge in meaningful ways.
	PROFESSIONAL RESOPONSIBILITY
Standard #9: Professional Learning and Ethical Practice	The teacher engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner.
Standard 10: Leadership and Collaboration	The teacher seeks appropriate leadership roles and opportunities to take responsibility for student learning, to collaborate with learners, families, colleagues, other school professionals, and community members to ensure learner growth, and to advance the profession.

Learning Strategies: Professional literature analysis, whole group discussions, small group activities, professional consultation (interviewing), professional observation (classroom), personal reflection, individual assignments (lesson plan and unit plan).

ASSIGNMENTS

Learning Strategies: Professional literature analysis, whole group discussions, small group activities, professional consultation (interviewing), professional observation (classroom), personal reflection, individual assignments (lesson plan and unit plan).

ASSIGNMENTS and ASSESSMENTS:

Chapter Readings:

Your textbook is your resource. Although we will use the book, we will not study the book and read chapter by chapter; this will be your responsibility. Class discussions will come from the “Teaching as Decision Making” textbook.

Blackboard Assignments (Due Dates posted on Blackboard)

Complete the required blackboard assignments by responding by due date. Then respond to at least one of your classmates in each discussion.

Teacher Interview: Week #1

This assignment will allow you to develop a series of questions to ascertain the style of classroom management that your chosen teacher utilizes. After developing a list of questions for the teacher, you will ask the teacher to describe how they feel about their classroom management style education that they are giving to students. Ask them why they feel the way that they do and how they feel that education could be improved. Please look for opportunities to expand on the discussion with your selected teacher based on their responses. Please submit a one-page reflection on this interview experience. Reflect on what you learned from the teacher and how it will benefit or change your classroom delivery and presence. Paper should be double spaced with standard 12-point font.

In Class Assignments: Teaching Observations

You Belong!
ccsj.edu

Each In-Class assignment will be given on the day that it is due in class. There will group and individual assignments designed to assess your understanding of classroom management and organization. We will utilize classroom teaching observations in this requirement. The rubric will be presented in class.

Classroom Management Policy: Week #2

Develop the Classroom Management Policy that you will use in your classroom. Considerations might include: Discipline/consequences and rewards, empowerment language and progressive steps. Consider the method of policy delivery for students and parents.

- Create on document for parents describing the policy (please use the format that you will use for the parents whether letter, newsletter, etc.)
- Create a second document describing the policy to students (please use the format that you will use for the students)

Paper on Management Theorists: Week #3

Please write a “Position Paper” in which you will take a stand on your support or denouncing of a theorists’ perspective on classroom management. The paper must be five pages long (typed and double spaced). Please ensure that the following elements have been included:

1. A statement of thesis, (for example your agreement or disagreement with the theorist)
2. Please include within your statement evidence of clear understanding/description of the theorist perspective.
3. A presentation of a contrary position with accompanying support for that position
4. A well-reasoned argument for the rejection of one theorist in favor of another
5. **In short, you will have two major points of view in your argument: 1) your supported theorist and view of management, versus 2) an opposing viewpoint.**
6. Include a works cited section that will support four credible reference.

Summer Reading Program Reflection:

Please write a three-page reflection on what you learned from this experience and include strategies utilized, challenges, solutions and opportunities for professional growth. In short, what went well, what you would change and resources employed or needed. You may also use actual examples of success and/or challenge from within the classroom.

Responsibilities	
Attending Class	You cannot succeed in this class if you do not attend. We believe that intellectual growth and success in higher education occur through interaction in the classroom and laboratories. However, we do not want to penalize students for participating in college-sponsored events. When you miss class because of a college event, you must give notice of your absence in advance, and you are responsible for all missed work. Being absent does not excuse you from doing class work; you have more responsibilities to keep up and meet the objectives of this course. Make up work will only be accepted from a college-sponsored event absence on the day that you return to class.
Turning In Your Work	You cannot succeed in this class if you do not turn in all your work on the day it is due. The instructor reserves the right to decline to accept late work.
CCSJ Student Honor Code	This course asks students to reaffirm the CCSJ Student Honor Code: I, as a student member of the Calumet College academic community, in accordance with the college's mission and in a spirit of mutual respect, pledge to: <ul style="list-style-type: none">• Continuously embrace honesty and curiosity in the pursuit of my educational goals;• Avoid all behaviors that could impede or distract from the academic progress of myself or other members of my community;• Do my own work with integrity at all times, in accordance with syllabi, and without giving or receiving inappropriate aid;• Do my utmost to act with commitment, inside and outside of class, to the goals and mission of Calumet College of St. Joseph.
Using Electronic Devices	Electronic devices may only be used in class for course-related purposes. If you text or access the Internet for other purposes, you may be asked to

	leave, in which case you will be marked absent. The instructor reserves the right to ask that all electronic devices be turned off during class.
Participating in Class	You must be on time, stay for the whole class and speak up in a way that shows you have done the assigned reading. If you are not prepared for class discussion, you will not be allowed to complete work during class time, you will be asked to leave and marked absent.
Doing Your Own Work	<p>If you turn in work that is not your own, you are subject to judicial review, and these procedures can be found in the College Catalog and the Student Planner. The maximum penalty for any form of academic dishonesty is dismissal from the College.</p> <p>Using standard citation guidelines, such as MLA or APA format, to document sources avoids plagiarism. The Library has reference copies of each of these manuals, and there are brief checklists in your Student Handbook and Planner.</p> <p>PLEASE NOTE: All papers may be electronically checked for plagiarism.</p>
Tracking Your Progress	Be sure to see how you are doing and follow up with your instructor.
Sharing Your Class Experience	At the end of the term, you will have the opportunity to evaluate your classroom experience. These confidential surveys are <i>essential</i> to our ongoing efforts to ensure that you have a great experience that leaves you well prepared for your future. Take the time to complete your course evaluations – we value your feedback!
Withdrawing from Class	After the last day established for class changes has passed (see the College calendar), you may withdraw from a course by following the policy outlined in the CCSJ Course Catalog.

Resources	
Student Success Center:	The Student Success Center provides faculty tutors at all levels to help you master specific subjects and develop effective learning skills. It is open to all students at no charge. You can contact the Student Success Center at 219 473-4287 or stop by the Library.
Disability Services:	Disability Services strives to meet the needs of all students by providing academic services in accordance with Americans with Disabilities Act (ADA) guidelines. If you believe that you need a “reasonable accommodation” because of a disability, contact the Disability Services Coordinator at 219-473-4349.

Emergency Procedures

MEDICAL EMERGENCY

EMERGENCY ACTION

1. Call 911 and report incident.
2. Do not move the patient unless safety dictates.
3. Have someone direct emergency personnel to patient.
4. If trained: Use pressure to stop bleeding.
5. Provide basic life support as needed.

FIRE

EMERGENCY ACTION

1. Pull alarm (located by EXIT doors).
2. Leave the building.
3. Call 911 from a safe distance, and give the following information:
 - Location of the fire within the building.
 - A description of the fire and how it started (if known)

BUILDING EVACUATION

1. All building evacuations will occur when an alarm sounds and/or upon notification by security/safety personnel. **DO NOT ACTIVATE ALARM IN THE EVENT OF A BOMB THREAT.**
2. If necessary or if directed to do so by a designated emergency official, activate the building alarm.
3. When the building evacuation alarm is activated during an emergency, leave by the nearest marked exit and alert others to do the same.
4. Assist the disabled in exiting the building! Remember that the elevators are reserved for persons who are disabled. **DO NOT USE THE ELEVATORS IN CASE OF FIRE. DO NOT PANIC.**
5. Once outside, proceed to a clear area that is at least 500 feet away from the building. Keep streets, fire lanes, hydrant areas and walkways clear for emergency vehicles and personnel. The assembly point is the sidewalk in front of the college on New York Avenue.
6. **DO NOT RETURN** to the evacuated building unless told to do so by College official or emergency responders.

IF YOU HAVE A DISABILITY AND ARE UNABLE TO EVACUATE:

You Belong!
ccsj.edu

Stay calm, and take steps to protect yourself. If there is a working telephone, call 911 and tell the emergency dispatcher where you are **or** where you will be moving. If you must move,

1. Move to an exterior enclosed stairwell.
2. Request persons exiting by way of the stairway to notify the Fire Department of your location.
3. As soon as practical, move onto the stairway and await emergency personnel.
4. Prepare for emergencies by learning the locations of exit corridors and enclosed stairwells. Inform professors, and/or classmates of best methods of assistance during an emergency.

HAZARDOUS MATERIAL SPILL/RELEASE

EMERGENCY ACTION

1. Call 911 and report incident.
2. Secure the area.
3. Assist the injured.
4. Evacuate if necessary.

TORNADO

EMERGENCY ACTION

1. Avoid automobiles and open areas.
2. Move to a basement or corridor.
3. Stay away from windows.
4. Do not call 911 unless you require emergency assistance.

SHELTER IN PLACE

EMERGENCY ACTION

1. Stay inside a building.
2. Seek inside shelter if outside.
3. Seal off openings to your room if possible.
4. Remain in place until you are told that it is safe to leave.

BOMB THREATS

EMERGENCY ACTION

1. Call 911 and report incident.
2. If a suspicious object is observed (e.g. a bag or package left unattended):
 - Do not touch it!
 - Evacuate the area.

TERRORISM AND ACTIVE SHOOTER SITUATIONS

EMERGENCY ACTION

1. Call 911 and report intruder.

RUN, HIDE OR FIGHT TIPS:

1. **Prepare** – frequent training drills to prepare the most effectively.
2. **Run and take others with you** – learn to stay in groups if possible.
3. **Leave the cellphone.**
4. **Can't run? Hide** – lock the door and lock or block the door to prevent the shooter from coming inside the room.
5. **Silence your cellphone** -- use landline phone line.
6. **Why the landline?** It allows emergency responders to know your physical location.
7. **Fight** – learn to “fight for your life” by utilizing everything, you can use as a weapon.
8. **Forget about being shot – fight!** You want to buy time to distract the shooter to allow time for emergency responders to arrive.
9. **Aim high** – attack the shooter in the upper half of the body: the face, hands, shoulder, and neck.
10. **Fight as a group** – the more people come together, the better the chance to take down the shooter.
11. **Whatever you do, do something** – “react immediately” is the better option to reduce traumatic incidents.
