

Mission Moment

MelodyAnn Clark
Senior Financial Aid Officer

I was born in Florida and have had the privilege of living in Arizona, California, and now in this region for the past 30 years. She has worked here at CCSJ for three years.

With 15 years of experience in Financial Aid, I am deeply committed to helping students navigate the financial aid process with ease. It is incredibly rewarding to see students embark on their college journey and ultimately walk across the stage, proudly receiving their degree. Throughout that journey, I've had the opportunity to witness their growth and perseverance, especially when faced with challenges, knowing that they are now ready to begin their careers.

In addition to my work in Financial Aid, I have also had the honor of serving as "Team Mom" for the Sprint Football Team. It has been a privilege to work alongside such a dedicated group of young men, providing guidance and support as they address various questions or concerns.

As a Christian working at a Catholic college, I am grateful for the opportunity to serve not only Christ but also the broader community. I believe that we are called to serve, love, care for, and share with others, values that are deeply aligned with the mission of CCSJ and C.P.P.S.
